This Aft Cabin 368 Model offers the most space of any other 36 footer with two staterooms each with their own privacy head and separate enclosed showers. The full galley and large salon area makes this a perfect Motor Yacht for long range boating adventures and even opens the door for a nice live aboard option. Since everyone likes to hang out with the captain, the bridge seating arrangement is set up for guests to take in the sights while underway.

When reaching your destinations, the Bow and Aft Thrusters make this the easiest boat ever to dock even when dealing with strong winds and currents! The mid-level aft deck with hard top is a great place on this boat to kick back, relax, and enjoy sunsets. There are molded in steps which make it very easy to access the swim platform when scuba diving or to just take a swim. The ONAN 9.0kw Diesel Generator (with sound box) enables you to utilize all of the vessel amenities while at sea including air conditioning with reverse cycle heat.

**UPDATE:** This boat had some hurricane Erma damage where the port side window was broken and some rain water got into the salon and the window is now taped closed.
