VESSEL WALK-THROUGH: This SEA HUNT TRITON 240 CC delivers exactly what the serious fishermen demand in a sportfishing center console boat. She's powered up right with a single gas YAMAHA 4-Stroke Outboard. This boat is in fantastic condition inside and out and features multiple insulated fish-boxes and 30 gallon lighted aerated calming blue livewell, cockpit and bow bolsters with upgraded new 3" cushions, all stainless hardware and Yamaha Command Link digital gauges. To help deliver the perfect ride you'll find recessed trim tabs, and hydraulic steering as well. The aft fold-out beach seat offers additional seating for your guests. The cockpit of this model is designed to have abundant room for 360° of fishing. The hull design delivers a soft dry ride that's second to none in a 24 foot center console! Included is a new GARMIN echomap93SV GPS; QUEST VHF Marine Radio with Distress; Electric Bennett Trim Tabs; SONY AM/FM Stereo with Bluetooth; Forward and Aft Spreader Lights; and standard safety gear.

MORE DETAILS: Triton builds their boats without any wood and designs them for zero flex in the stringer system. Maximum flotation is added for safety and comfort underway. The unibody construction is performance engineered delivering a better ride and feel with more structural strength. The transom is designed to spread the stresses of the motor over the entire width of the boat. Cockpit and Features The forward casting deck was spacious with a nice single step up from either side. Cleats are pop-up style to keep from snagging lines while working a fish around the boat. The ground tackle stores in a compartment up front that has keeper slots for a Danforth style anchor. This boat will not last long on the marketplace. Inquire today for a personal walk-through or you will miss out on a great buy!
